The Badminton Europe School Set with transport will cost **115 EUR per unit**.

The Badminton Europe School Set without transport will cost **100 EUR per unit**.  
*If you choose the option to collect the school sets yourself, you have to pick them up at the BEC office.*

**If you can provide BEC with a VAT number the invoice will be issued without VAT but will be subject to reverse VAT taxation in your own country.**

Being part of the BEC Shuttle Time implementation process, you are obligated to use BEC School Sets for the Shuttle Time implementation purposes.

BEC is offering you the following benefits:

- When ordering BEC School Sets, BEC will provide you with **additional school sets free of charge**.
  - *Example: If you order 30 school sets (30x115 EUR), BEC will provide you with another 15 school sets free of charge. All together you will receive 45 school sets.*
- The maximum amount provided by BEC free of charge cannot exceed 50 sets.

The purpose of this Schools Set is to encourage and promote badminton to be played in schools. It is an ideal equipment package to offer schools as part of an education programme.
