Dear Croatian Badminton Association,

On behalf of the Badminton Europe Board of Directors we would like to thank you for nominating Ratko Galjer for the BEC Commissions.

The Board sees lots of value in adding specific experience to the Commission discussions and in getting input from experts active in our Members Associations. Three other important benefits we see as well are the opportunity for Commission members to bring back inspiration from the BEC meetings to their organization, the opportunity to network and the identification of new talent for BEC.

Considering the above and given the amount of applications received a decision was taken to only accept one external Commission Member per Member Association.

We are pleased to accept the nomination of Ratko Galjer for the Entertainment Commission. Commission Members will be serving for terms of 2 years.

The first meetings are foreseen to be held from 1-3 October 2021. Please note that we have to monitor Covid-19 situation before making any final decisions about this being physical or online meetings. You will receive more detailed information in due time.

In the meantime, while accepting the appointment please send a **portrait photo** for our website and confirm your **mobile number** and preferred **e-mail address** for the ease of communication.

Once again, we would very much like to thank you for your interest shown in contributing to the work of Badminton Europe.

On behalf of Badminton Europe Confederation,

Best regards,
