*2022 BEC Regional Project*

Dear Ratko,

Thank you for your application to the BEC Regional Projects for the following activity:  
**U19 TRAINING CAMP**, together with Cyprus, Israel, and Slovenia.

We are pleased to inform you that your application has been accepted, as follows:

### 1. BEC support

#### Flexible financial support

- Grant up to a maximum of 3.000€ for the year 2022
- The support is granted for the year 2022 only, as the project application did not provide enough information to evaluate and understand the progression and the objectives for the following year.

#### Fixed material support

- Shuttles costs of 500€ (for 25 dozen feather shuttles)  
Badminton Europe will send a box of 25 dozen shuttles for the Regional Project. These shuttles have to be provided to the participants and be used at the training camp. Badminton Europe is responsible for the costs of the transport of the shuttles.

Badminton Europe funding will be allocated on **a participation basis**. The financial grant will be paid directly to the main organiser based on the number of participants they send to the activity (minimum 6 participants and 1 coach per Member).

**The application stated that for your project, the support should be sent to the all the participating Members.**
